

NACIO
National Association of County Information Officers

Membership Application

County staff involved in their agency's public communication efforts and state association staff involved in public communication efforts with/for their county agencies, are invited to become members of the National Association of County Information Officers (NACIO).

As an active affiliate of the National Association of Counties (NACo), NACIO, founded in 1966, works to promote the value of professional PIOs and communicators to county governments. NACIO members serve as judges for NACo's annual National County Government Month contest, and NACIO experts present highly entertaining workshops on media relations best practices at the NACo Annual and Legislative conferences.

To join NACIO, please complete this form and return it to nacio1966@gmail.com. Memberships run annually from January through December. **Upon receipt of this application, you will be provided information about payment.**
